IN Government Schemes in India

1. Pradhan Mantri Jan Dhan Yojana (PMJDY)

- **Objective**: Promote financial inclusion by providing universal access to banking facilities.
- **Key Features**:
  - Opening of no-frills accounts with zero balance.
  - Access to credit, insurance, and pension products.
  - Overdraft facility of ₹10,000 for eligible account holders.
- **Impact**: As of 2024, over 45 crore accounts have been opened under PMJDY, significantly enhancing financial inclusion across rural and urban areas.

2. Pradhan Mantri Awas Yojana (PMAY)

- **Objective**: Provide affordable housing to all by 2022 (extended to 2028).
- **Components**:
  - **PMAY-G**: Focuses on rural housing, aiming to construct 2 crore houses.
  - **PMAY-U**: Targets urban poor, with provisions for slum redevelopment and credit-linked subsidies.
- **Implementation**: Utilizes technology-driven solutions for construction and monitoring.

3. Pradhan Mantri Kisan Samman Nidhi (PM-KISAN)

- **Objective**: Provide income support to small and marginal farmers.
- **Benefits**:
  - Direct transfer of ₹6,000 annually in three equal installments.
  - Eligibility based on landholding criteria.
- **Coverage**: Aims to cover over 12 crore farmers across India.

4. Atal Pension Yojana (APY)

- **Objective**: Provide a defined pension to workers in the unorganised sector.
- **Features**:
  - Monthly pension ranging from ₹1,000 to ₹5,000.

    - Government co-contribution of 50% of the total contribution or ₹1,000 per annum, whichever is lower.
- **Eligibility**: Individuals aged 18-40 with a savings bank account.

5. Pradhan Mantri Jeevan Jyoti Bima Yojana (PMJJBY)

- **Objective**: Provide life insurance coverage to individuals.
- **Details**:
    - Life cover of ₹2 lakh for a premium of ₹330 per annum.
    - Available to individuals aged 18-50 with a savings bank account.
- **Implementation**: Implemented through Life Insurance Corporation (LIC) and other life insurers.

6. Pradhan Mantri Suraksha Bima Yojana (PMSBY)

- **Objective**: Provide accidental death and disability cover.
- **Coverage**:
    - Accidental death and disability cover of ₹2 lakh for a premium of ₹12 per annum.
    - Available to individuals aged 18-70 with a savings bank account.
- **Implementation**: Implemented through participating general insurance companies.

7. Stand-Up India Scheme

- **Objective**: Promote entrepreneurship among women, SC, and ST communities.
- **Features**:
    - Provides bank loans between ₹10 lakh and ₹1 crore for setting up greenfield enterprises.
    - At least one woman and one SC/ST borrower per bank branch.
- **Implementation**: Implemented through scheduled commercial banks.

8. National Social Assistance Programme (NSAP)

- **Objective**: Provide social assistance to the elderly, widows, and persons with disabilities.
- **Components**:
    - **Indira Gandhi National Old Age Pension Scheme (IGNOAPS)**: Monthly pension to elderly citizens.

    - **Indira Gandhi National Widow Pension Scheme (IGNWPS)**: Monthly pension to widows.
    - **Indira Gandhi National Disability Pension Scheme (IGNDPS)**: Monthly pension to persons with disabilities.
- **Funding**: Central government provides 100% funding for these schemes.

9. Ayushman Bharat – Pradhan Mantri Jan Arogya Yojana (PMJAY)

- **Objective**: Provide health insurance coverage to economically vulnerable families.
- **Benefits**:
    - Coverage of ₹5 lakh per family per year for secondary and tertiary care hospitalization.
    - Cashless and paperless access to services at empanelled hospitals.
- **Implementation**: Implemented through State Health Agencies.

10. Swachh Bharat Mission (SBM)

- **Objective**: Achieve cleanliness and eliminate open defecation.
- **Components**:
    - **SBM-Gramin**: Focuses on rural sanitation, aiming to make villages open defecation free (ODF).
    - **SBM-Urban**: Targets urban areas for waste management and cleanliness.
- **Achievements**: Over 11 crore toilets constructed under SBM-Gramin as of 2024.

11. Make in India

- **Objective**: Encourage manufacturing and attract foreign investments.
- **Key Initiatives**:
    - Simplification of FDI policies.
    - Promotion of 25 sectors including automobiles, textiles, and electronics.
    - Establishment of industrial corridors and smart cities.
- **Impact**: Significant increase in FDI inflows and growth in manufacturing sectors.

12. Startup India

- **Objective**: Promote and facilitate the growth of startups.
- **Features**:

    - Self-certification under labor and environmental laws.
    - Tax exemptions for three consecutive years.
    - Funding support through a Fund of Funds.
- **Implementation**: Implemented through Department for Promotion of Industry and Internal Trade (DPIIT).
